## **Workshop Flyer 2017.** **Leaders School / Servant Community**

Secretariat has decided that our Leaders School / Servant Community groups need to be revitalized within our Diocese. These groups are vital to ensure our Cursillo efficiency and it is felt that a revitalization of this program is now in order.

**All** are most welcome to attend a workshop to become familiar with the operation of a Leaders School / Servant Community program.

Three identical workshops have been organized, so you can attend which ever one suits your calendar or convenience.

The first one will be held at Cessnock for the convenience of Cursillistas from the Maitland, Upper Hunter and Paterson Deanery and a similar workshop will be held at Tea Gardens on the 25<sup>th</sup> March and Belmont on the 29<sup>th</sup> April. **Please** try and attend one of these workshops as our LSSC groups are very important. .
