The Angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he is risen, just as he said. Come and see the place where he lay. Then go quickly and tell his disciples: 'He is risen from the dead and is going ahead of you into Galilee. There you will see him. 'Now I have told you.'" **Matthew 28: 5-7 (NIV)**

FROM OUR DIOCESAN SPIRITUAL DIRECTOR

FR MARK COOPER

With Easter just around the corner my mind is drawn towards my favourite Easter exclamation, **“We are an Easter people and ALLELUIA is our song!”** As I reflect on this, specifically for my first Encourager article, it has got me asking myself what would be our Cursillo version of this? I think it might be **“We are a fourth day people and De Colores is our song!”**

De Colores is believed to have been around since the 1500s and, throughout the Spanish speaking world it is often used at rallies. It has a catchy tune, with child-like farm animal lyrics and yet contains the profound idea that for all our differences, be they the different colours of a rainbow or animals in the farmyard, we collectively come together as a perfect whole.

This child-like song, with a profound Christian ideal, reminds me of Matthew 18:3 *“Truly I tell you, unless you change and become like children, you will never enter the kingdom of heaven.”* Children need to rely totally on their parents for everything, the older you become the more self-reliant and somewhat jaded you become.

De Colores can revive that spark of childhood enthusiasm for our faith. A faith that, at its core, calls us to rely on God for our good and our future. De Colores also calls us into a community of acceptance, all the colours, all the barnyard animals come together to form the perfect whole.

We are also a fourth day people. It is definitely not that Cursillistas are better Christians than those who haven't been to Cursillo, but the experience often awakens in the Cursillista the understanding that the Christian life calls on us to use our gifts as a member of God's family. All these gifts individually are like a colour or a farmyard animal. By themselves they are good and useful, but together they are spectacular.

In the 1990s the word synergy became popular. It means that our combined efforts are greater than the sum of our separate efforts. I know this sounds like an illogical math equation but together in our Christian community we can inspire creative ideas, energize each other, and do more than we might have thought possible.

The Cursillo weekend is the perfect example of this happening Though a lot of hard effort goes into these weekends (I write this in the middle of preparing for Men's 49) the weekend itself is one full of energy, fun, learning, and God's spirit.

We must remember that this is the community energy we bring back into our Group Reunions, Ultreyas, and parish life. All we do is a blending of our individual gifts, combined team work, and the Spirit of God. We are a Fourth Day people and De Colores is our Song.

Fr Mark Cooper

NOELENE LENTFER

GEOFF WOODEN

Dear Friends in Christ,

Welcome to a New Year in Cursillo as we look forward to all the opportunities it will bring our way with the easing of Covid restrictions. Catching up with familiar faces, faces that we often only see at Cursillo events.

CURSILLO!

Life changing, the power of ordinary people like you and me sharing their story, sharing their aches and pains, sharing their love of Christ and Christ's love for them.

Ordinary people empowered by the Holy Spirit.

We have an opportunity to be a life changing vehicle through Cursillo as we pray for and act on our support for the upcoming Cursillo weekends.

Men's 49 Brian Taylor and Team. 28th April to 1st May at Catalina Rathmines

Women's 49 Lorraine Phillips and Team. 2nd to 5th June at Catalina Rathmines.

Please keep Brian and Lorraine and the Teams in your prayers.

Please pray about who you could invite to attend the weekends.

What will your involvement be? Sponsoring a candidate, financial support, palanca and prayer cover.

Our prayer is that Cursillo itself might experience something of a revival in the Diocese, a new generation of God's people encouraged and equipped to serve and live for Jesus.

Please praise God for Cursillo, for people and parishes enriched over the past 32 years through Cursillo in the Diocese.

COMMUNICATION

The task of keeping the Cursillo Roll up to date is very important for communication. If there are changes in your contact details please let your Deanery Leader know so adjustments can be made and contact kept.

ULTREYAS

How wonderful it is to be able to meet together again and sing, sing, sing.

Please pray for all Ultreya's and try to attend as many as you can.

There is something special about praising God together with His people and we should take every opportunity we can to do so.

PALANCA

Remember how you felt at your Cursillo weekend when you received your Palanca? Please start your writing early. Leaders and Team members are listed in this Encourager. Candidates' names will be forwarded closer to the weekends.

Fr Mark Cooper
Diocesan Spiritual
Director

In 1989 I made my Cursillo at Men's 18 in the Diocese of Grafton at the tender age of 20. It wasn't long after this I felt a call to ministry and offered myself to the Diocese of Newcastle as my

parents, both of whom are Cursillistas, had moved to Maitland.

I was ordained in 1995 and have served in Newcastle Diocese, Rochester Diocese in the UK, and Canberra Goulburn Diocese. This is my second time on Secretariat having filled this role about 20 years ago.

A lot of my parish ministry has also included a chaplaincy role. School Chaplain when I was at Bishop Tyrrell Anglican College, Mental Health Chaplin when I was at Goulburn Cathedral, and Steel Works Chaplain at the present with my parish ministry at MICA.

Revd Alison Wood-
en,
Prayer Chain
Coordinator

Women's 16, Table of Mary.

When Geoff and I were first married we moved ten times in ten years, mostly out of Sydney, where we grew up. This meant that being part of the wider church family was, and is, our constant.

We have three wonderful adult children, and five gorgeous grandchildren.

I was ordained in 2010 and am currently part-time priest in the Parish of East Lake Macquarie, based at St Peter's, Swansea.

One of my hobbies is genealogy, and sometimes, when I need some 'me time' I tell my family that I'm going to disappear into another century!

Lyn Wickham

I can still remember the excitement I felt upon receiving a letter from Bishop Holland inviting me to attend W1 (in 1990). This new concept in our Diocese had tongues wagging, giving many different ideas about what Cursillo

was and whether it would be beneficial for those who attended. Yes, I attended this new "happening" and enjoyed the experience.

Subsequently, I was on team for W2 from which I gained a different and deeper perspective about Cursillo and the energy and commitment given by team members to bringing the Cursillo experience to women in our Diocese. A few years later I was again on team. I have given the Witness Talk at a Deanery Ultreya and a Diocesan Ultreya. My involvement in Cursillo in our Diocese has been on and off since W1 and now my involvement on Secretariat will propel me into refreshing my knowledge of the Cursillo movement and learn new aspects of the organisation of the "gift" of Cursillo.

I worship at St Thomas' Cardiff where I have been a Chalice Assistant, member of Parish Council, Synod Representative and I am currently President of Cardiff Mothers Union. At a Diocesan level I have been a member of Diocesan Council, Incumbency Appointment Board, Bishop Nomination Board and the Professional Standards Committee. My academic studies were in the Social Sciences arena and I worked in the community welfare sector for almost 30 years. Now retired, I keep busy with involvement in various community groups, try to keep fit and I enjoy the fellowship of family and friends. When possible, I will visit my son and his family in Scotland.

My **Cursillo** journey began with a change of venue for an Anglican Women's meeting.

After the meeting there was a "gathering" of people, some I knew from Mothers Union, The Baden Powell Guild, Helen Fraser, who I knew from Samaritans Disaster Recovery, and other parishes in the Newcastle Diocese. I enquired: "so what's happening here?" It was an **Ultreya**, a gathering of Cursillistas and I was invited to join them.

I will never forget that day, as long I live! That afternoon was amazing! All the singing, the witness talks, the prayers, and the wonderful and welcoming fellowship. Wilma Bond, asked me to join in their Group Reunion, I had no idea what that was about?

What an uplifting experience that Ultreya was that day, at The Entrance Anglican Church!

I was led to do my Cursillo at the Kurri TAFE Hospitality, in 2015. The Rev. Rosemary Gillham sponsored me. The Theme for my "short course" was "Come, Listen, Live" and I did! The Theme song was "Come to the Water" and during that course, I sang that song everyday. God challenged me, and gave me a life filled with purpose and grace, that weekend.

Born and raised Sydney. Having grown up in Beverly Hills, then after marrying, lived in Cronulla, then Connells Point. A transfer with the Education Department led us to a Teacher house in Waratah, Newcastle. We worshipped at St. Philips, Waratah and I was a member of MU there.

My 55 acres at Dooralong, is where I have called home, for over forty years, the last 19 years alone, after the passing of my beloved husband in 2003 to Melanoma.

I have three married children (two sons and a daughter) who in turn have given me eight grandchildren, aged from 33 to 7 years old and one great grandchild 11 years old.

These beautiful children are my "fitness regime!!"

When they come visit, they willingly come with me to St. James at Wyong, where I have worshipped for many years.

Some years ago, I was led to do a Pilgrimage to Santiago De Compostela (The way of St. James) across the Pyrenees from France into Spain. It was a wonderful witness, sharing the "**GOOD NEWS!**" with people I didn't know. As Ignatius of Loyala said: "to be a pilgrim is to pray with your feet!" **Pray indeed I did!**

It was no accident, that I was led to do my pilgrimage walk ... God had a plan ... I had read many years later, that Cursillo began in Spain, as a pilgrim-

age to Santiago, **WOW! The Holy Spirit in action!**

I will end with this prayer for Cursillo Veterans, Old and New ... not sure where it originated?

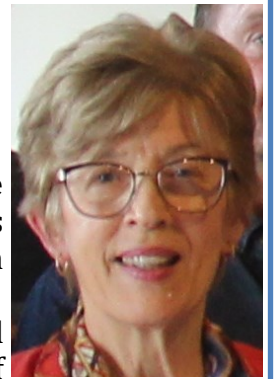

There are so many wonderful people in Cursillo, Lord, who are on the journey to a deeper relationship with You. Pour out upon each one, Your gift of the Holy Spirit for the task of changing our particular environments, and your struggling World, in Jesus' name we pray.

Amen and De Colores

W1 Newcastle

Table of Martha

The year was 1990. All the basic planning for the Teams from the Diocese of Grafton and the list of

Candidates for Men's and Women's 1 in the Diocese of Newcastle had been done. The first 3 day weekends were about to begin.

At that same time, my husband Paul and I, along with our four young children, had just moved into the newly built Rectory at New Lambton. Then the call came asking Paul to attend Men's 1 the following week. Little time for thinking about or preparing for the weekend. No sooner had Paul returned home, when I received a phone call asking me to attend Women's 1 two weeks later. I attended Women's 1 Cursillo weekend at the Morpeth Conference Centre. What a wonderful 3 days of blessing. Paul and I remain close friends of the Women's 1 Lay Director from Grafton, Anne Pade, and her husband Brian (who was a Team member on Men's 1).

Thus began my 32 years of connection with Cursillo in the Diocese of Newcastle. I have enjoyed the privilege of being on Team several times. Each weekend became a time of growth and encouragement in my Christian journey. The most significant being the development of my ministry of music.

My knowledge of and skills in IT have also grown as a result of exercising this gift at work, in the Parish and when serving on Team. I look forward to using and developing these skills as I take on the role of Editor of The Encourager.

Prayer for March

Today I pray for peace.

I pray for peace between families .

Heavenly Lord, pour your healing balm over the discords between partners, siblings and parents. Teach us to say sorry and give us the grace to forgive.

I pray for peace in our communities.

Mighty Lord, Instill in us the will to work together for the common good. Let our differences be voiced with respect and our commonalities celebrated and reinforced.

I pray for peace between political parties.

Sovereign God, be with our leaders as they work for this nation. Give them, we pray, gentle words to share, humble hearts to lead and a passion for justice and equality.

I pray for peace between nations

Grant, merciful God, an urgent desire for peace between all people. Keep before us the love you have revealed in your Son, who prayed even for his enemies. In our words and deeds, help us to be like him.

God of Crisis, you lay before us either blessing or curse, in our confusion give us clarity and in our hesitation, the courage to choose boldly the way that would lead us to you.

Through Jesus Christ

Amen

ULTREYA'S

INNER CITY ULTREYA -

CATHEDRAL,

COOKS HILL, MEREWETHER

held on Thursday 3rd February 7 pm at Christ Church Cathedral.

It was a wet night so expectations were not high but we were delighted to have around 25 in attendance from a number of parishes as far down as South Lakes. There was a great spirit of goodwill and expectation, despite being under Covid restrictions, and unable to have a shared meal.

Dean Katherine welcomed us in her usual gracious and supportive manner and, despite the masks, the singing was robust and heartfelt. It was great to be able to sing our praises to God even if a little muffled. Noel Herbert, from Cooks Hill parish served as Lay Leader and kept the schedule well on track. Fr. Chris Bullock was invited to be witness speaker and he generously shared his journey and thoughts with us. Rev Jan Deaves, demonstrated insight and warmth in her response as Spiritual Director bringing all the threads together for us, and providing spiritual 'food' to sustain us.

Because of social distancing we had to improvise in the way we presented Group Reunion so instead of breaking up into the usual huddles of small groups Noel led the questions from the front with responses from the floor with the aid of a cordless microphone. While it was just a means to an end, the gathering co operated and it worked quite well. The evening closed with Rev. Jan leading us in a Celtic version of Compline.

I must thank my co-coordinator of the organisational side of the event, Cathy Claydon, for her enthusiasm and energy in getting everything so well prepared at the Cathedral and to everyone who attended for their wonderful Christian fellowship.

Kairos inside for Men Hunter Region

Your prayers are always a blessing

At the end of February, the Chair of St Heliers Regional Committee, Tony Farmer, and I had arranged to drive to Muswellbrook to meet with the Chaplain at St Heliers for coffee. In the midst of being unable to hold courses – no visitors have been permitted inside Corrective Services facilities for more than two years now, and there is no indication for a return – we have attempted to keep up personal contact with St Heliers. We did not realise when we made the appointment that there would be an incident at St Heliers just prior to our coffee visit.

Tony and I thought that we could use the opportunity while we were in the Muswellbrook to call on the Governor also. This turned out not to be possible because of a visit from the Executive of Corrective Services reviewing the incident to see how such an event might be prevented in the future. We did write on behalf of our committee assuring the Governor and all associated with St Heliers of our thoughts and prayers.

We received a very warm note from St Heliers ...

I have passed on your letter to Ms Smith and we thank you for your kind words and keeping everyone at St. Heliers in your thoughts and prayers.

The Sunday following our trip was set aside by Kairos at the initiative of the Queensland State Chair to a National Day of Prayer for Kairos. This was very timely for us.

In his letter, the Queensland Chair, Brian Stone, said ...

As I considered the news of the COVID-19 outbreak in Lotus Glen Correctional Centre, it reminded me of Kairos Prison Ministry's mission being: 'To show the transforming love and forgiveness of Jesus Christ to impact the hearts and lives of the incarcerated men, women and youth, as well as their families, to become loving and productive citizens of their communities.'

For those of us involved in any way with Kairos, this is our personal mission, also motivated by God, who we serve, to bring love and comfort to the incarcerated and their families.

Somehow, we need to come out of this pandemic better, not bitter. The world we knew has changed, and as we go forward, we need to pray constantly and be more unified than ever, in our mission. We need to become more considerate of others, more mindful of how we can help each other, and how we can better serve our friends in prison.

Each of us would know people who have suffered or even passed, some even in our own immediate families who have been victims of this pandemic, offering our prayers and support in any way we can.

1 Corinthians 3:9

What then is Apollos? What is Paul?

Servants through whom you came to believe, as the Lord assigned to each.

I planted, Apollos watered, but God gave the growth.

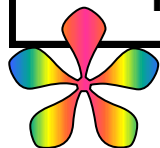

So neither the one who plants nor the one who waters is anything, but only the God who gives the growth.

The one who plants and the one who waters have a common purpose, and each will receive wages according to the labour of each.

For we are God's servants, working together; you are God's field, God's building.
