2016 ANGLICAN MEN'S WEEKEND

Narrabri farmer and lay preacher **Andrew McClenaghan** will teach us from the Bible with the theme “**God, You and the Work You Do**”. There will be various talks from other guest speakers to encourage all Christian men, including new Christians or those still checking out the claims of Jesus.

Bring a tent, stay in a cabin, or bring your campervan. The Tahlee site has affordable camping and cabins to suit all ages and all budgets.

There will be plenty of free time over the weekend for fellowship with men from around the Hunter. We'll kickoff with a BBQ on Friday night, followed by activities that make the most of Tahlee's environment including fishing, bushwalking, and a bonfire on Saturday night.
